CHRISTIAN COMMUNITY

The goal is that all who come to Christ would be connected to a Christian Community.

SCHOOLS/ UNIVERSITIES

The youth of America will be the most responsive when hearing the Gospel proclaimed. Every campus must have an active Gospel movement established.

ONE-ON-ONE

Effective discipleship happens through relationships. Everyone who prays and connects with those around them is already positioned to follow through with these new believers.

SMALL GROUPS

Some of the best settings for discipleship are home groups, workplace Bible studies, school clubs, and wherever you do life - pursuing Jesus together to encourage growth in godliness.

CHURCH GATHERED

This provides Christians opportunities to use their gifts and connects them to teaching, worship, and a greater network of personal and group discipleship movements.
